Pokhara, Nepal | 9846621921 | dipakdahalconnects@gmail.com | [Github](#) | [Linkedin](#)

Profile

A graduate who is eager to dive into the world of information technology. I have completed a **3-Months internship**, where I accepted every learning opportunity and also have created few projects. With good communication skills, I am ready to bring my passion and fresh perspective to the internship. Let's unite and grow together!

Experience

Frontend Developer Intern | Xdezo Technologies | 15 May -15 Aug 2024

- Collaborated with supervisor and designers
- Worked in developing Xdezo academy's website
- Implemented techniques like debouncing to rate limit function execution
- Made layout responsive using CSS
